WORK EXPERIENCE

Tower crane operator
Nordisk-Kran uthyrning

05/2016 - 03/2019   *Stockholm, Sweden*

My main task as crane driver was to liC heavy materials to the designated areas and work with people from different backgrounds in long hour shifts

Achievements/Tasks
- communication with different background of people

Contact: Johan Akerberg - johan.akerberg@nordiskkranab.se

Different roles
Trollstigen Camping

05/2012 - 10/2015   *Andalsnes*

Trollstigen is one the main destinations in Norway and has beautiful landscape with mountains

Achievements/Tasks
- First time, I have started working in Trollstigen started with a very simple manual job, from there on, I advanced my way up. It was there I had a first hand experience of text editing of the website. My task was to translate the website into Russian language due to many Russian tourists.

Contact: Edmund Meyer - info@trollstigen.no
